

The United States Equestrian Federation (USEF) is the National Governing Body for Equestrian Sport. Since its inception in 1917, the Federation has been dedicated to pursuing excellence and promoting growth, all while providing and maintaining a safe and level playing field for both its equine and human athletes.

Established as a non-profit organization, the USET (United States Equestrian Team) Foundation's role is to help provide funding for the High Performance competition, training, coaching, travel and educational needs of America's elite and developing athletes and horses in partnership with the USEF.

The USET Foundation is funded through tax-deductible contributions primarily from individuals who want to support our country's international horses and athletes. The Foundation receives no direct or indirect government subsidy.

Please help make our nation's future in equestrian sport as bright as our past...your contributions are welcome!
